These gowns are all new stock, and at regular prices are extra values. All garments cut very full and well sewed.

These skirts are new additions to the Muslin Underwear Department, but they are all the rage in the cities. Of course you get a bigger value for the same amount of money when buying a short skirt, because it requires less material.

We brag on having the daintiest muslin underwear that is made. Come and see if you don't co-operate with these views.

All trimmed with the daintiest of lace and embroideries; made of finest material

### Infants' Dresses and Slips. Children's Drawers.

This is a line never before introduced in Iola, and only the large retail stores in the cities carry infants' wear.

These garments for infants are made of very fine India Linen and daintily trimmed, but all are made so that washing will not spoil them.

Made of Drill Muslin, and will wear longer than if you buy material and make them.

You know our way of giving sales, the reduction is made from our regular selling price. Every garment is marked in plain figures and you may refer to this advertisement to see reductions. We will positively not sell a single garment at sale prices until the day of beginning of sale, Tuesday, March 5th, but you may come and look them over, all are on display. Watch for window display, and don't forget the dates.

Tuesday, Wednesday and Thursday, March 5th, 6th and 7th

#### Strikes a Rich Find.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Greene, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I have ever used. They also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed: Evans Bros.

#### Alas, the Ramor is True.

Postmaster Henderson Saturday received official notification from Washington that the department could not hope to establish free delivery here on March 1, as promised, but might get around to it by July 1. History has shown that it is very seldom that the things it promises right on the spot and this time the unexpected happened and Congress failed to get around to its appropriation bill in time.
